CORNICI IN AYOUS PER BOISERIE

60B

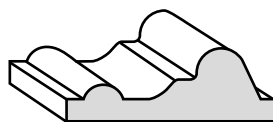

Cornici riverniciabili per la decorazione di pareti e mobili.

Aste in legno massello.

Come decorare le pareti

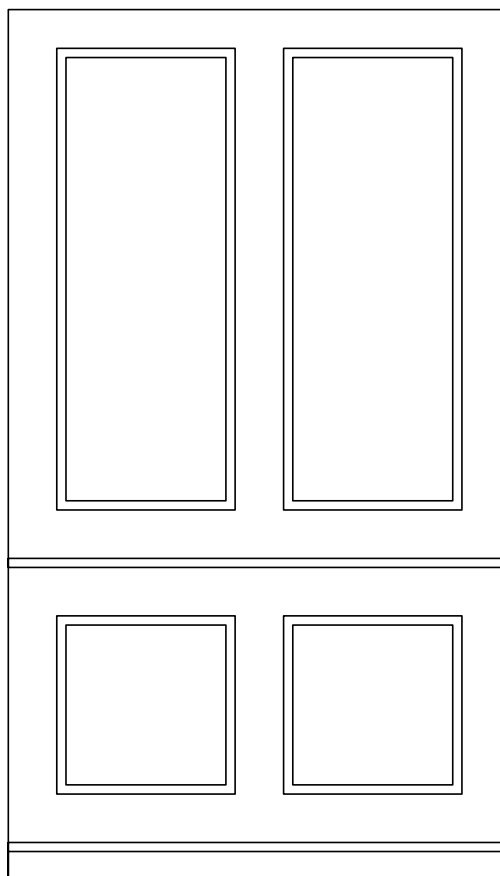

Le cornici in legno ayous si possono incollare su pareti o mobili per creare le decorazione tipiche delle boiserie classiche.

Si possono posare anche grezze e verniciare con lo stesso prodotto murale utilizzato per le pareti.

Il legno, a differenza del polistirolo o del poliuretano, è più resistente e si vernicia facilmente. La percezione di qualità è maggiore rispetto a materiali "sintetici"
